Date of declaration of result : 10.07.2022

 Senior Director, NTA

NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session.

- NTA score is not the same as percentage of marks obtained.
- The NTA Score indicates the percentage of candidates who have scored **EQUAL TO OR BELOW** (same or lower raw scores) a particular candidate in that session.
- The NTA scores of a Candidate have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$
- The NTA Score of the Total is **NOT** an aggregate or average of the NTA Score of individual subject.
- Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.
- After the JEE (MAIN) - 2022 Session 2, the ranks of the candidates will be released taking into consideration the best of the two NTA Scores.
- RL means 'Result Later'.
